Understanding Why Nature Matters to Older Rural Women's Health and Well-Being

Erica K. Husser, PhD

Project Director, Age-Friendly Care, PA Penn State College of Nursing

March 4, 2021 | 12:00 PM - 1:00 PM

Free and open to the public. Register <u>here</u>. For more information, email cgne@psu.edu.

Penn State College of Nursing is approved as a provider of nursing continuing professional development by the Pennsylvania State Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. Presenters, organizers, and content specialists have indicated no conflict of interest. Participants with a valid RN license who attend the entire session will be awarded up to 1.0 contact hour of continuing nursing education; partial contact hours are not awarded. This program is being jointly provided by the Penn State College of Nursing's Center of Geriatric Nursing Excellence, Center for Nursing Research, and Age-Friendly Care, PA (AFC-PA), which is funded by the Geriatric Workforce Enhancement Program (GWEP). We thank AFC-PA/GWEP for their support. Penn State is an equal opportunity, affirmative action employer, and is committed to providing employment opportunities to all qualified applicants without regard to race, color, religion, age, sex, sexual orientation, gender identity, national origin, disability or protected veteran status.
